“ We spent many winters in Florida and became very close to Pat and Dave. Which if you know them is not hard. She was the kindest, most giving and fun loving person I have ever met. Also a bit competitive and always a good card partner. Our love and prayers are with Dave and his entire family as I know they will feel an emptiness without her presence. May all of her wonderful memories help you through this difficult time and knowing how much she was loved by all.
